

## Coronavirus - God's Judgment Is Closing In

The Coronavirus is threatening all people. The prophet Amos tells us who is behind it.

Is a trumpet blown in a city, and the people are not afraid? Does disaster come to a city, unless the LORD has done it? (Amos 3:6)

### Why does God send it?

For although the people knew God, they did not honor him as God or give thanks to him, but they became futile in their thinking, and their foolish hearts were darkened. Rom 1:21

Each year approximately 3.1 million children die from malnutrition while people and governments live in foolish luxury and riches. In addition to this evil there are over a thousand others.

Be assured, an evil person will not go unpunished, but the offspring of the righteous will be delivered. Everyone who is arrogant in heart is an abomination to the LORD; be assured, he will not go unpunished.

Proverbs 11:21 , Proverbs 16:5

### Are all the guilty infected and others not?

(Jesus Christ said about a calamity at his time): Or those eighteen on whom the tower in Siloam fell and killed them: do you think that they were worse offenders than all the others who lived in Jerusalem? No, I tell you; but unless you repent, you will all likewise perish." Luke 13:4-5

The coronavirus is not the final judgment. Only a small percentage of the guilty are judged and there are probably even exceptions who are righteous but infected. God wants the world community to repent and

not die. At the end of time there will be the final judgement and Jesus Christ will judge all people.

### **Why is the coronavirus threatening life?**

On September 11th, 2001 God sent a warning of what is to come. He brought down the World Trade Center which stands for global corruption and the idol of riches which nations worship instead of Jesus Christ. But who has heeded the warning? Who has repented and turned to Jesus Christ? Which government has turned and started to obey the law of God instead of the law of corruption. 7 years later God sent the 2008 recession when the stock market crashed. But who has heeded the warning? Who has repented and turned to Jesus Christ. Which government has turned and started to obey the law of God instead of the law of corruption?

### **What is the root evil?**

People reject Jesus Christ as the son of God and King of Kings. Individuals do that as well as governments and societies. Instead of true wisdom and righteousness which Jesus teaches, governments and the elites of society make the people drunk with foolish teachings which allow them to do evil and get rich while over a billion people live in poverty.

### **What should you do?**

Turn from evil and unrighteousness and believe and follow Jesus Christ, the saviour of the world and King of Kings. Live according to his teachings. He was crucified for the sins of the world and God raised him from the dead to exalt him to rule over the world, which he does right now. Read and believe the Gospel
